

# DREW TOFIN

Drew Tofin is not your typical jazz crooner. While he may perform classic standards, he goes above and beyond, recreating pop/rock classics as well as writing his own pop and jazz songs. The Saskatoon-based singer has accomplished a substantial amount in two short years. Since November 2014, Tofin has released a debut full-length album "One Night," a Christmas EP "Christmas Can't Be Far Away," and, most recently, "All of Me," a live Blu-Ray Disc. If that isn't enough, the projects were self-financed while acquiring his Bachelor of Commerce Degree from the University of Saskatchewan. With vocal talent and on-stage charisma rivaling the best in the industry, Tofin and his 11-person big band will surely be a night to remember.

"Drew Tofin is a wonderful professional who consistently delivers great concerts in my venue. His performances have laser execution and crowds always leave entertained."

DAN SMOLINSKI, MANAGER  
LOUIS' PUB

"Drew Tofin works hard and doesn't hold back when it comes to pursuing his passion. There are few of Drew's generation with his blend of charisma, talent and professionalism."

CHRISTIAN DOUGLAS, RECORDING/MIX ENGINEER  
TONESHIFT AUDIO

"The Drew Tofin Big Band put on a great show. Every single father and daughter got up out of their seat and found a place to dance together. All ages were involved and loved the music—from the little girls dancing on their father's feet to grown-up daughters sharing a special moment with their dad. A true professional, Drew was easy to work with and added an extra-special touch to our event."
